Kehillah B'nei

Abraham (KBA) is translated as **Congregation of the Children of Abraham** where Jewish and Gentile Believers live out their faith in the G-D of Abraham, Isaac,

and Jacob, and His Messiah Yeshua.

We worship and learn together from all the richness of G-D's Living Word (Genesis through Revelation); especially the revelation of G-D's Holy Son, Messiah Yeshua. We do this in the culture of Judaism (which is the culture our Messiah lived during His time on earth--His first coming) in order to better understand His teachings to live out His instructions in our daily lives.

Hello KBA Family,

I just wanted to say hello to everyone. Miro and I are doing well. Miro has been an excellent tour guide. We have explored various places, such as Mostar, Igman Mountain, and various sites in Sarajevo, which is the capital of Bosnia and Herzegovina.

I have enjoyed meeting people, trying new foods, and getting adjusted. Most things are very different from the US, except the traffic! I am also taking language classes, and slowly...very slowly learning to speak Bosnian.

I miss everyone at KBA, and I pray blessings on all from *Adonai*. I can "see" you during the live stream and enjoy the services from afar. 😊 May HaShem continue to protect, provide, prosper, and bless us in ways beyond your deepest desires. Much love, *Dee*

MINI BITES

“Bo” Sh’mot 13:8

On that day you are to tell your son,
*“It is because of what Adonai did for me
when I left Egypt.”*

G-D gave instructions and reasons for remembering and celebrating the Feast of Passover. One thing to remember was the day on which you left the abode of slavery because Adonai, by the strength of his hand, has brought you out of that place.

Every year we partake of the Passover Seder and remember the history of G-D’s people miraculously leaving Egypt, and I think many of us can see the foreshadowing of Yeshua bringing each of us out of the clutches of the kingdom of darkness and bondage to sin.

Since we now live by the Spirit, let us also walk by the Spirit. G-D is showing us a pattern to follow to declare what G-D did for us on that day when we turned from darkness to light and from the dominion of Satan to G-D, so that we could receive forgiveness of sins and an inheritance among those who have been sanctified by faith in Yeshua.

(Acts 26:18)

Our testimonies should include:

1. How Yeshua drew us to Himself;
2. The moment of our deliverance;
3. Ways our life changed since then.

I encourage each of us to write our testimony and practice telling it, trying to keep it to 3 or 4 minutes. Equip yourself to declare what Adonai did for you in a way that will glorify His power and reality.

Passing of Johnna Davis

From Rabbi Rene: With deep sadness we announce the passing of Eileen and Boniface's daughter, Johanna Davis, who was found in her house in Texas on the afternoon of Tuesday, February 18.

Johanna was 51 years old, and had a history of untreatable diabetes.

May HaShem give His peace to the family, and comfort their hearts with the hope of the resurrection.

"May Elohim remember the soul of Boniface and Eileen Henderson's daughter, Johanna Davis, who is gone to His repose."

The Mourner's Kaddish

May He establish His kingdom in your lifetime and during your days, and within the life of the entire House of Israel, speedily and soon; and say, Amen.

May His great name be blessed forever and to all eternity.

Blessed and praised, glorified and exalted, extolled and honored, adored and lauded be the name of the Holy One, blessed be He, beyond all the blessings and hymns, praises and consolations that are ever spoken in the world; and say, Amen.

May there be abundant peace from heaven, and life, for us and for all Israel; and say, Amen.

He who creates peace in His celestial heights, may He create peace for us and for all Israel; and say, Amen.
